

# VOH PRIVATE LABEL

tailor-made watchmaking equipment

Each customer is faced with specific problems. VOH SA is fully aware of this, so we are offering the Private Label range. This service provides a personalised and in-depth analysis of the need and brings appropriate solutions with an optimum price/quality ratio. VOH Private Label is also the marketing customisation of tools, colour in conditioning, and engraving. Do you have a particular technical, aesthetic or practical requirement? VOH SA offers to combine all these criteria in one personalised and unique solution.
